Reporting to	Head of Operations
Location	Various locations across Wandsworth

ABOUT POWER TO CONNECT

Power to Connect is focused on reducing digital inequality in Wandsworth but might expand that to other areas as the initiative grows. We provide digital skills training alongside recycling, refurbishing, and distributing laptops, tablets and desktop computers. We work with amazing local volunteers, who help with every element of the refurbishment and redistribution process. Each device is wiped, cleaned, packaged up and delivered to schools and community organisations in Wandsworth. The digital skills sessions aim to help parents build the skills and confidence they need to use devices appropriately and help keep their families safe online.

JOB DESCRIPTION

SPECIFIC TASKS

Work within a small team of staff and volunteers to enhance the team with experience, commitment and inspiration.

Development interesting, engaging and impactful digital skills training sessions to parents within Wandsworth. These sessions will be delivered in schools and community centres.

The sessions focus on helping parents, carers and grandparents build their skills and confidence to use laptops, tablets, and mobile phones appropriately and safely.

The primary goal of the sessions is to help ensure their children and families are engaging safely in the digital world however we believe this will benefit the whole family.

Help to Improving educational outcomes for families.

Help to support access to work and quality of life for socially disadvantaged families in Wandsworth.

Work independently while reporting to the Head of Operations. Regular communication and coordination with the Head of Operations is crucial.

GENERAL TASK

Be prepared to support on all relevant tasks aligned to delivering digital skills training.
